Steps

- 1 Create or import a new sprite for the prize Pac Man is after:

- 2 **Position the First Prize...**

When the green flag is clicked, position a prize in the upper left hand corner, away from the Pac Man. The exact location of the prize should be random.

- 3 **Chomp and Create a New Prize**

When the Pac Man is touching the prize, make the prize disappear and then re-appear at another random location anywhere on the board after a second.

4 Chomp and Create a New Prize – Other Ideas ...

When the Pac Man is touching the prize:

- Make the prize change costumes:

- Make a sound
- Make the prize fade out or fade in

before re-appearing at another random location on the board.
